Village Hall News & Updates

* **New Admin Assistant - Linda Beetham**

Hi, I am Linda Beetham and I joined the staff at Wilsden Village Hall in April this year. I have lived in Wilsden for 41 years and I am married with two grown up children, and two grandchildren. I love walking my dog Molly, going on holiday and socializing with family and friends. I retired from Yorkshire Water as Quality Coaching Team Manager in 2023 and was not looking for a new job until I saw the advert on Facebook. I love working here, meeting new people and feeling part of the community.

* **New flooring in the Bents Room**

We are very pleased to have been successful in being awarded a grant from

Shipley Area Committee Community Chest Fund

This will enable us to replace the flooring in the Bents Room at the Village Hall. We hope to make the Bents Room more comfortable and attractive for those who use it. Young children and teenagers use this as a breakout room during evening Youth Club sessions which run from the hall three times a week. It is a space they can use if they want some quiet time alone or a private conversation with an adult. During the day, this room is rented on an ad hoc basis for counselling sessions and also for holistic therapies such as body massages and facials. The walls have been painted in recent years to try to make it look fresher but we would really like to improve the feel of the whole room by replacing the floor.

Barrie Payne Flooring Contractor from Harden will be supplying and fitting the flooring soon.
